RESPONSE TO RESTRICTION/ELECTION REQUIREMENT

In the office communication dated April 23, 2003, the Examiner issued a restriction and election of species requirement under 35 USC 121. Specifically, the Examiner asserts that the application contains patentably distinct claims directed to five (5) groups, Groups I-V. Applicants hereby elect to prosecute in the present application the claims embodied by Group III, identified by the Examiner as directed to now pending claims 4-12.

In response to the election of species requirement issued by the Examiner, Applicants hereby elect the species identified by the Examiner as "PRO175" polypeptides.

Respectfully submitted,

GENENTECH, INC.
